

192 Airport Rocket

February 13, 2000 Service Changes

New route - 2000 Service Plan

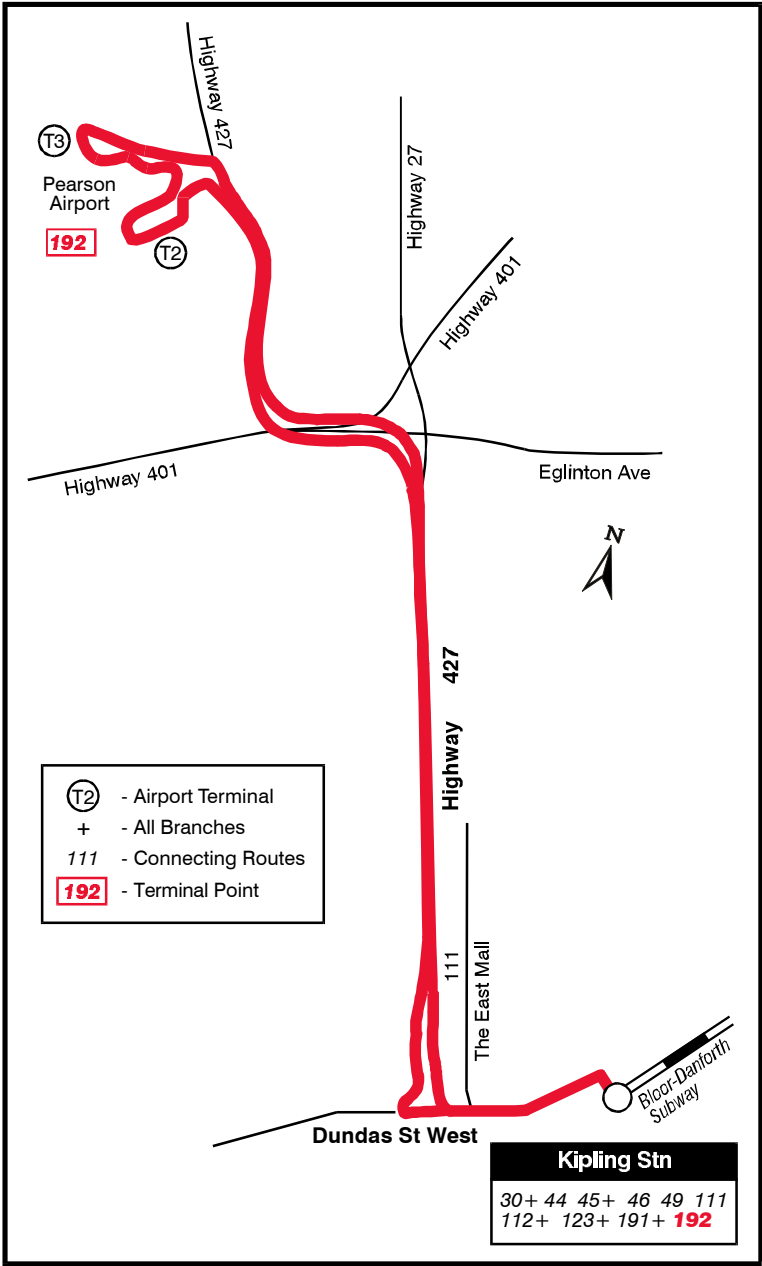

A new route will operate between Kipling Station and Pearson Airport Terminals 2 and 3, during the peak periods and midday from Monday to Friday. Buses will serve bus stops only at Kipling Station, Dundas Street/The East Mall Cres., and at airport terminals 2 and 3. At Kipling Station, the route will use the same bus bay used by the 30 Lambton and 191 Highway 27 Express routes. Regular TTC fares will be charged for this service, which operates entirely within the Toronto fare zone.

Routing details

Northbound - From Kipling Station, north on Auckland Road, west on Dundas Street, north on Highway 427, and west into Pearson Airport. Buses will serve the arrivals level at Terminal 3 and then the arrivals level at Terminal 2.
Southbound - From Terminal 2, east and south on Highway 427, east on Dundas Street, and south on Auckland Drive to Kipling Station.

First and last trip times

Northbound from Kipling Stn: 5:40 a.m. (first); 7:10 p.m. (last)
Southbound from Pearson Airport: 6:00 a.m. (first); 6:45 p.m. (last)

How to TTC to where you're going?
Automated TTC information service is available 24 hours a day, seven days a week by calling 393-4636. Operator assistance is available between 8 am & 5 pm (except holidays).

Request Stop Program
Allows women travelling alone on buses between 9 pm & 5 am to ask the driver to let them get off the bus at locations between the regular TTC stops.

TTC's Blue Night Network
Service is provided from approximately 1:30am to 5:00am on a basic network of routes throughout Toronto. Blue Night Network transit stops are marked with reflective blue bands. Service on Blue Night Network routes is provided every 30 minutes or better.

Lose Something? Find Something?
Call Lost & Found, 393-4100, Mon.-Fri., 12 noon-5 pm.

192 - Kipling Stn - Air Terminals 2 and 3
