

501 Queen

Effective October 15, 2000

End of track reconstruction

The track reconstruction project on Queen Street between Shaw Street and Fennings Street (one block east of Dovercourt Road) will end. The additional round-trip time and streetcars which were added to the route for construction will be removed, and all service will operate over the usual route on Queen Street.

Revised service

Recovery time will be added at busy times of the week, in order to improve the reliability of service. At most times of the week, the service levels will not change. During the afternoon on Saturdays and Sundays the service will be improved, from every 7 minutes to every 6 minutes 45 seconds on Saturdays, and from every 9 minutes to every 8 minutes 45 seconds on Sundays and holidays.
