

505 Dundas

April 30, 2000 Service Changes

Route change – Temporary route change

A project to rebuild the track at several locations along Dundas Street will require that streetcars be removed from the 505 Dundas and 506/306 Carlton routes on Saturdays and Sundays from April 30 to June 10. The entire 505 Dundas route will operate with buses, from Broadview Station to Dundas West Station, and will be scheduled to operate over the usual route. Service will be made more frequent, because the buses have a smaller capacity than the streetcars.
