

508 Lake Shore

508-YG

Effective September 3, 2000

Reliability initiatives

A number of initiatives to improve the reliability of service will be introduced. TTC-funded paid-duty police officers will be used to rigorously enforce traffic regulations on King Street, in order to reduce delays to streetcars, and this will be accompanied by a public information campaign aimed at motorists. TTC personnel will be stationed at busy stops on the route to allow customers to load at the rear doors.
