March 19, 2000 Service Changes

Service Increase

Service will increase during rush hour and at most other times during the week, to reduce crowding on trains and waiting times on platforms. This means that the wait will be no longer than 5 minutes. During rush hour, trains should run approximately every 2 minutes and 30 seconds.

Service Summary

Weekday and Saturday service starts about 6:00 a.m. Sunday service starts about 9:00 a.m. (Holiday start times vary; Call 393-4636) Last trains leave the Downtown area about 1:30 a.m. every day. The times listed below are accurate at time of printing. See specific schedules posted at DWA platform locations.
