Route change - track construction

Effective December 18, 2005 until late-January, 2006

Due to complications associated with the rail removal / installation process within the Harbourfront Tunnel, the reconstructing of the passenger loading / off loading platform at Union Station, work will not be completed as scheduled on December 17th. Completion of this project is now expected to occur mid to late January 2006.

Beginning, December 18:

- **509-510 HARBOURFRONT** replacement buses will run between Union Station and Spadina Loop.
- **509 HARBOURFRONT** streetcars will provide service between Spadina Loop and Exhibition only.

Customers will be required to transfer when travelling past Spadina Avenue, in either direction.

- **510 SPADINA** streetcars will turn back at Queens Quay Loop.

Construction time lines and route diversions are subject to change due to weather conditions or any other unforeseen events.
