Government of Ontario Transit

WILLIAM WRYE
Minister

LOU PARSONS
Chairman

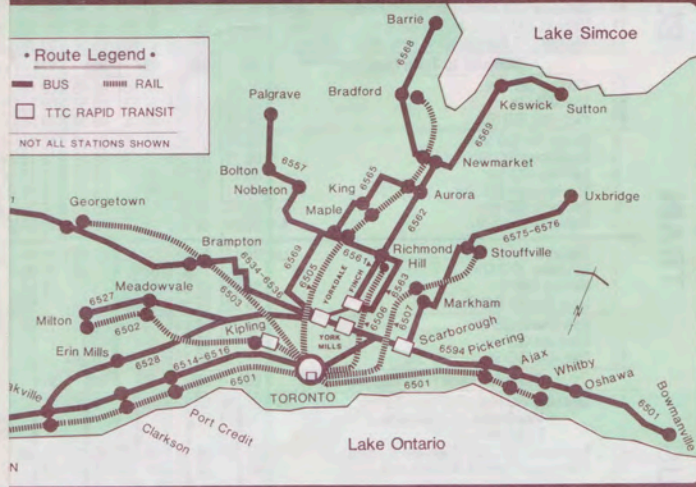

Government of Ontario Transit is the Province of Ontario's interregional transit system for the Toronto, Hamilton, and Oshawa area.

An economical alternative to automobile commuting, GO Transit began in 1967 as a single rail line and is now a comprehensive network of bus and rail service covering over 8,000 square kilometres. GO Trains and GO Buses connect with municipal transit systems throughout this network to encourage maximum use of public transit. A major expansion of the train network recently extended Lakeshore East service from Pickering to Whitby; Lakeshore West service is scheduled for extension from Oakville to Burlington in 1992.

GO Transit is administered by a Provincial Crown agency whose board members, besides the chairman, comprise the chairmen of the regional municipalities which GO serves: Metropolitan Toronto and the regions of Durham, York, Peel, Halton, and Hamilton-Wentworth.
