

109 Ranees

February 13, 2000 Service Changes

New service

New Saturday late evening service will operate on this route. One bus will be added, and the new service will operate every 45 minutes. The bus will operate on the 109B (Eglinton West Stn-Neptune via Marlee & Flemington) branch.

Trip times

From Eglinton West Stn — 10:45 and 11:30 p.m., and 12:15 a.m.

From Neptune — 10:23, 11:08, and 11:53 p.m.

Service Summary

109B - Neptune - Eglinton West Stn via Marlee and Flemington

109C - Neptune - Eglinton West Stn via Marlee and Varna

Route 109 RANEE service operates on a weekday from approximately 5:57 am till 12:30 am. During rush hour, this service is every 10 minutes and non-rush it is every 15-22 minutes.

Saturday service runs every 15-45 minutes from approximately 6:22 am till 9:38 pm.

Sunday service runs every 17-45 minutes from approximately 8:40 am till 9:38 pm.

How to TTC to where you're going?

Automated TTC information service is available 24 hours a day, seven days a week by calling 393-4636. Operator assistance is available between 8 am & 5 pm (except holidays).

Request Stop Program

Allows women travelling alone on buses between 9 pm & 5 am to ask the driver to let them get off the bus at locations between the regular TTC stops.

TTC's Blue Night Network

Service is provided from approximately 1:30am to 5:00am on a basic network of routes throughout Toronto. Blue Night Network transit stops are marked with reflective blue bands. Service on Blue Night Network routes is provided every 30 minutes or better.
