

TO THE DOME AND HOME.

SkyDome is located south of Front Street near the CN Tower. With two subway stops within a short walk of SkyDome, and convenient, frequent service on King and Queen Streets and Spadina Avenue, TTC is the easy way to get to the new home of the Blue Jays and Argos.

- **SUBWAY** to St. Andrew Station, walk west on King and south on Peter.
- **SUBWAY** to Union Station and walk west on Front.
- **ROUTE 504 (King) or ROUTE 501 (Queen)** streetcar to John or Peter and walk south.
- **SPADINA 77A** bus to Wellington. Walk east on Front from Spadina.

ATTENTION: METROPOLITAN TORONTO COMMERCIAL AND INDUSTRIAL EMPLOYERS...

The TTC would like to provide you with information about the level of transit service in your area as a means of assisting you in the scheduling of employee shifts, particularly in areas where late night transit service is provided.

For details, contact the TTC's Marketing and Customer Services Department, 1900 Yonge Street, Toronto, Ontario, M4S 1Z2, Attention: Business Inquiries.

No more waiting, no more wondering --

**TTC's TimeLine tells you when
your bus or streetcar is coming**

Every TTC bus and streetcar stop is marked with its own individual telephone number. Jot down the numbers of the stops you use regularly and keep them handy near your phone. Or call 393-INFO to get the *TimeLine* number of the stop you want to use. Then just before you leave, call the *TimeLine* number for the stop you are planning to use. The computer voice will provide you with the **scheduled** arrival time of the next two or three transit vehicles. *TimeLine* works 24 hours a day, 7 days a week. Use it every time you plan to take the TTC.

Take a minute -- read how to get the most information from this timetable...

- The map on the front cover shows the part of Metro Toronto served by this route.
- Inside -- there's a complete map of the route, and schedule information. Departure times from each end of the route are listed. **First/last trips are shown in bold face type.**
-  The clockface indicates the times each hour the bus is scheduled to leave the terminal between the times indicated.
- To calculate the approximate time a bus will reach your stop, count the red dots on the map between the terminal and your stop. Add 5 minutes travelling time between each dot. Add this time from the end of the route.
- Be at your stop a few minutes before the scheduled arrival time. But remember -- traffic and weather can sometimes slow service.
