Take a minute -- read how to get the most information from this timetable...

- The map on the front cover shows the part of Metro Toronto served by this route.
- Inside -- there's a complete map of the route, and schedule information. Departure times from each end of the route are listed. **First/last trips are shown in bold face type.**
-  The clockface indicates the times each hour the bus is scheduled to leave the terminal between the times indicated.
- To calculate the approximate time a bus will reach your stop, count the red dots on the map between the terminal and your stop. Add 5 minutes travelling time between each dot. Add this time from the end of the route.
- Be at your stop a few minutes before the scheduled arrival time. But remember -- traffic and weather can sometimes slow service.
